

STUDENT SUPPORT AND WELLBEING FACT SHEET

At Allens Training, we are dedicated to your success in your studies. We understand that along the way, challenges such as language, literacy, and numeracy (LLN), emotional, physical, or mental hurdles may arise. It's important to know that facing these challenges is a natural part of the learning journey, and you are not alone.

If you or someone you know is finding things difficult, or if they simply feel overwhelmed, it's okay to seek support. We've compiled a list of information to help you easily access free advice and support from various organisations.

Your wellbeing matters to us, and we're here to support you every step of the way.

**If you, or someone you know is in
immediate danger.**

8am – 12am
(AEST/AEDT)

Free and confidential support for all Australians impacted by eating disorders and body image issues, and for the families, friends and communities who support them.

How does phone support work?

1

Call

These helplines are FREE, even from your mobile.

2

Wait

A counsellor will take your call.

Try taking some deep breaths if you feel nervous while you wait.

3

Speak with a counsellor

They will ask some questions and work with you to understand your situation and explore options for support.

You'll be listened to without judgment and treated with respect.

Your conversation will be private and confidential.

Language support / I don't speak English

If you need mental health support in your language, call TIS National on 131 450 or visit www.tisnational.gov.au to get an interpreter. TIS National covers more than 100 languages and is available 24 hours a day, 7 days a week, for the cost of a local call.
